

NEW AND RENEWABLE ENERGY DEPARTMENT
GOVERNMENT OF MADHYA PRADESH

“GOLDEN OPPORTUNITY”

INVITING ATTENTION OF ALL MANUFACTURERS AND DEALERS OF SOLAR BASED
PRODUCTS AND VARIOUS ENERGY EFFICIENT EQUIPMENTS

OFFER TO USE RETAIL NETWORK IN 50 DISTRICTS OF MADHYA PRADESH FOR
REPUTED AND RELIABLE CERTIFIED PRODUCTS

M.P. Urja Vikas Nigam Limited (MPUVNL), Bhopal is a fully owned company of State Government working as Nodal Agency for Renewable Energy and Energy Efficiency. It has established 50 Akshay Urja Shops in Madhya Pradesh which are commercial set ups run by private entrepreneurs. MPUVNL invites applications from reputed companies and dealers capable of providing popular Solar based (Photovoltaic and Thermal) products as well as Energy Efficient Equipments (LED lights, Energy savers, Innovative products) which are properly certified and standardized as per requirements. Interested applicants may download the application form from our website: www.mprenewable.nic.in and submit the completed applications with required documents at the Head Office in Bhopal latest by 25th February, 2011 at 5.30 P.M. The detailed terms and conditions can also be downloaded from the website.

Market mode for promotion of renewable energy & energy efficient equipments through Akshay Urja Shops

Madhya Pradesh Urja Vikas Nigam Limited (MPUVNL), a state nodal agency for promotion of Renewable Energy & Energy Conservation in Madhya Pradesh, intends to provide manufacturers/their authorized dealers of renewable energy & energy efficient equipments with a platform to promote & market their products through Akshay Urja Shops in 50 districts of Madhya Pradesh, to be established in accordance with administrative approval from MNRE, Govt. of India.

MPUVNL has initiated the process for establishment of a vast retail network of Akshay Urja Shops in 50 districts. The market mode mechanism offers the manufacturers & authorized dealers of such products to use this network for marketing their products. Manufacturers/ Authorized dealers shall use this platform facilitated by MPUVNL to market products strictly as per the standards & specifications of MNRE /BEE and other authorized centres (BIS standards etc). The sincere objective of MPUVNL is to ensure the supply of quality products to the consumers through its network of Akshay Urja Shops. This mechanism aims to curb the flooding of the market with substandard and inferior products, which though available at low cost and involving attractive margin for the sellers, has a limited life compared to their efficient counterparts.

Under this mechanism, the manufacturers/authorized dealers selected through the registration process shall, through this network, be able to sell their products throughout the state. The application for registration will be invited by MPUVNL and the applications shall accompany, apart from others, complete details, specifications about the range of renewable energy & energy efficient products offered by such manufacturer/authorized dealer. The list of the registered manufacturers/authorized dealers shall be made available by MPUVNL on its website and same shall be made available to each of the Akshay Urja Shops. This information may be useful to buyers as well as owners of Akshay Urja Shops in selecting the registered manufacturers/authorized dealers of their choice from the list.

The mechanism envisages the registered manufacturers/ authorized dealers to undertake training sessions for Akshay Urja Shop owners on after sale services of their products from time to time and for ensuring easy availability of the spare parts for their products marketed under this mechanism at reasonable prices. This shall ensure pre-sales as well as post-sale benefits to the buyer.

Terms & Conditions for Registration of manufacturers/authorized dealers of renewable energy & energy efficient equipments

The following terms & conditions shall govern the registration process of such manufacturers:

- a) The manufacturers/ authorised dealers shall be required to submit a non-refundable registration fee of Rs. 500/- per application; only if their registration is approved by MPUVNL.
- b) The details and documents to be submitted along with application for registration must be strictly in the application format along with a separate spiral binding for each product in the following format.
 - 1.) Index
 - 2.) Equipment detail
 - 3.) Specifications and standards of equipment
 - 4.) Test reports
 - 5.) Any other Details
- c) The manufacturers/ Authorized dealers shall be required to submit the notarized declaration for supplying equipments as per the standards & specifications of MNRE /BEE and other authorized centres (BIS standards etc).
- d) Manufacturers/ Authorized dealers shall have the sole responsibility of using the platform facilitated by MPUVNL to market products strictly as per the standards & specifications of MNRE /BEE/other authorized centres (BIS standards etc);
- e) The role of MPUVNL is restricted only to facilitate a platform between the manufacturers/authorized dealers and the owners of Akshay Urja Shops;
- f) The mechanism requires the manufacturers/authorized dealers to declare their product range, specifications, standards etc. of their products during the registration process;
- g) In case any information (or attached documents) given by such manufacturers/ authorized dealers during the registration process is found to be incorrect, MPUVNL shall have full rights to initiate suitable action as deemed appropriate;
- h) MPUVNL shall not be a party to arrangement between such manufacturers/ authorized dealers & owners of Akshay Urja Shop or any matter related to costs, quality, sales obligation, warrantee, after sales services or any other difficulty related to such products;
- i) Genuine complains from buyers shall initiate suitable actions by MPUVNL as deemed appropriate;
- j) This registration process is limited for the manufacturers/authorized dealers of renewable energy equipments such as solar cookers, solar water heating systems, solar lantern, solar home lighting & street lighting systems, small solar power plants (stand-alone), energy efficient CFLs, LED products or any

other energy efficient devices as approved by MNRE /BEE/ other authorized centres ;

- k) Any deviation/violation from the terms & conditions for registration process as specified by MPUVNL shall result in the cancellation of registration of such manufacturers/authorized dealers;
- l) The mechanism promotes marketing of quality products at competitive price. The Akshay Urja Shops may have products from different registered manufacturers/ authorized dealers so that the buyer can procure equipments of his choice;
- m) The registered manufacturers/ authorized dealers shall undertake training sessions for Akshay Urja Shop owners on after sale services of their products from time to time;
- n) The registered manufacturers/ authorized dealers shall be responsible for providing easy access to the spare parts of their products marketed under this mechanism at reasonable prices; and
- o) The manufacturers/ Authorized dealers must strictly abide with the terms and conditions applicable under market mode.
- p) The certification of registration with MPUVNL shall not be used either for supplying or installation of equipments especially in central, state, semi Govt., NGO's and any other autonomous body. However, applicants shall be free to participate in tender for supplying or installation of their products.
- q) Decision of MPUVNL shall be final with respect to registration.
- r) The MPUVNL shall in no case be responsible or liable for any loss/damage, lack of business, payment dispute, litigation, and consumer complaint etc. regarding applicant firm under this scheme. No claim whatsoever shall be liable on MPUVNL.
